

# Eye Vision Master Class

If you experience any of these:

- *"I am discouraged because my eyesight keeps deteriorating and I don't know what to do about it."*
- *"I am scared because I just received an eye disease diagnosis and I want alternatives to drugs and surgery."*
- *"I am frustrated because my child is struggling in school and I don't know how to help him"*
- *"I am worried that I am going to go blind because my parents both had eye diseases and lost their sight."*
- *"I am discouraged because my current eye care is not meeting my needs."*
- *"I am confused because I don't know what nutritional practices I should be doing for my eyes and overall health."*
- *"I am interested in natural methods to heal my eyes and am looking for someone I can partner with who can help me."*

This class is for you!

### EYE/VISION MASTER CLASS 3 hours

#### A NEW format For Tesuque at the GeoDome

How it works: You can participate in two ways:

1. **Within in the group:** have a 15-minute individualized session with Dr. Berne focusing on your visual problems and receiving protocols to improve your vision. Limited to 6
2. **Participate as a witness** by attending the class and receiving benefits by learning from observing the individualized sessions as well as Dr. Berne's group interactions and teachings. Limited to 4

Each class is unique and will build upon the last. As part of this Master Class Series, Dr. Berne will offer a few eye-somatic processes for the entire group. Whether you receive an individualized session or are or are participating as a witness, you will learn many techniques to improve your eyesight and vision.

**COST:** 6 Patients who receive an individualized session within the group: \$111.

The 4 Observers, attending the master class: \$55
